CRAZY EX-GIRLFRIEND THEME

REBECCA
I was working hard at a New York job,
Making dough but it made me blue.
One day I was crying a lot and so I decided to move
To West Covina, California.
Brand new pals and new career!
It happens to be where Josh lives,
But that's not why I'm heeeeeere!

CHORUS
She's the Crazy Ex-Girlfriend.

REBECCA
What? No I'm not.

CHORUS
She's the Crazy Ex-Girlfriend.

REBECCA
That's a sexist term!

CHORUS
She's the Crazy Ex-Girlfriend.

REBECCA
Can you guys stop singing for just a second?

CHORUS
She's so broken inside!

REBECCA
The situation is a lot more nuanced than that.

CHORUS
C-R-A-Z-Y....

REBECCA
OKAY! WE GET IT!

CHORUS
CRAZY-EX GIRLFRIEND!

"WEST COVINA"

REBECCA
West Covinaaaaaa
Californiaaaaaaaa!

In my soul I feel a fire
'Cause I'm heading for the pride of the Inland Empire.
My life's about to change,
Oh my gosh!

'Cause I'm hopelessly, desperately
In love with...

West Covina.....

Good morning, Sir!

See the sparkle off the concrete ground.
Hear the "whoosh!" of the bustling town!
What a feeling of love in my gut.
I'm falling faster than the middle
School's music program was cut.
People dine at chez Applebee.

CASH-FOR-GOLD WOMAN
Ahhhh.

REBECCA
And the sky seems to smile at me.

BABY
Ahhhhhh.

REBECCA
It's all new but I have no fear.

MEXICAN LAWYER
Accidentes.

REBECCA
And also, by coincidence, Josh--
Just happens to be here!

What a cool looking anime wig!
And I've never seen a pretzel this
Big! It's my destiny, that much is
Clear.

ANNOUNCER
Please welcome... Destiny!

REBECCA
And also, this guy Josh just
Happens to be here.

Is he here? He's not here.

REBECCA
To be clear, I didn't move here for
Josh, I just needed a change.
'Cause to move here for Josh: now, that'd
Be strange...

But don't get me wrong: if he asked
For a date, I would totally be like,

"That sounds great!"

Did it sound cool when I said "that
Sounds great!"? How about now?

How about now?

"That sounds great!"

Yes, I heard of West Covina from
Josh,
But I didn't move here because of
Josh.

Do you get those things are different?

MOVER
No hablo ingles.

REBECCA
Entiendes que son differentes?
Look, everyone, stop giving me the
Shakedown. I am not having a
Nervous—

West Covinaaaaa Californiaaaaa!!!
West Covinaaaaa Californiaaaaa!

Hear the band playing in my heart!
My new life is about to start!
True happiness is so near!

Aw, you guys are good. Bye-bye.

REBECCA and COMPANY
And also, by coincidence, so
Random, just by chance, who'd a
Thunk it, so remarkable and weird,
Right? It's so cray...

REBECCA
That this guy Josh..... Just
Happens... To be...
...here!!!!!!!!!!!!

Only two hours from the beach!

"WEST COVINA (REPRISE)"

REBECCA
See the blood rushing to my
Cheeks. Hear me shout when I try to
Speak...

PAULA
All our cares will disappear...

REBECCA
West Covina...

PAULA
West Covina...

REBECCA
California...

PAULA
That's where we are.

REBECCA
I don't know what happens next.
But all roads point to this magical text.
It's time to kick it into high-

REBECCA
Bella and Edward, Carrie and Big, Harry and Sally, Julia Roberts and Richard-

REBECCA and PAULA
Gear/Gere.

REBECCA and PAULA
Yes, also, by coincidence, so
Random, just by chance, who'd a
Thunk it, so remarkable and weird,
Right? It's so cray... That this
Guy Josh just happens to be...

"THE SEXY GETTING READY SONG"

REBECCA
It's the sexy gettin' ready song.
The sexy gettin' ready song.
Primpin' and pluckin',
Brushin' and rubbin',
The sexy gettin' ready song.

First I make everything shiny and
Smooth.

BACKUP SINGERS
Oh yeah.

REBECCA
'Cause I want my body to be so soft
For you.

BACKUP SINGERS
Bye-bye, skin.

REBECCA
I wanna make this a night you'll
Never forget.
And boy I know you like an
Hourglass silhouette.

Let's see how the guys get ready!

REBECCA and GIRLS
It's the sexy gettin' ready song.
The sexy gettin' ready song.
Fluffin' and flouncin',
Gigglin' and lady-in',
The sexy gettin' ready song.

NIPSEY HUSSLE
Hop on my dick with that tight
Little dress and...

Oh God, this is what you do to get
Ready, girl? This is horrifying.
Like a scary movie or somethin'.
This is some nasty-ass patriarchal
Bullshit... You know what? I gotta go
Apologize to some bitches. I am
Forever changed by what I have just
Seen.

REBECCA and GIRLS
It's the sexy gettin' ready song.
The sexy gettin' ready song.
It's the sexy gettin' ready song.
Body rolls are really hard.
The sexy gettin' ready song.
The sexy gettin' ready song.

"FEELIN KINDA NAUGHTY"

REBECCA
Hey cutie don't know if you knew,
But I've kinda got a girl crush on you.
You're everything that I wish I could be.
Gonna tell you what I wanna do to you-
Tee hee hee!
I wanna lock you in a basement with soundproof walls
And take over your identity.
I wanna cut the silky hair, right off your head
And slurp it up, like spaghetti.
Wanna clone you and consume you.
Wanna own you and cartoon you.
Fly your dirty panties like a kite.
Kite!

'Cause I-I-I-I I'm feelin' kinda naughty tonight.
Sorry I said that creepy stuff out loud.
That was super rando.
I meant to say I wanna do cutesy stuff,
Like pillow fight or go swimmin' commando.

I wanna kill you and wear your skin like a dress,
But then also have you see me in the dress
And be like "OMG you look so cute in my skin!"
I wanna lock you in a basement,
But in that basement, you would also be my personal trainer.
I want your abs!
Break into your mom's house collect your baby teeth
And turn them into my new retainer.
I want your smile.
Cook your spit into a chowder, dry your sweat into a powder
And do lines of you all through the night.

'Cause I-I-I-I-I-I-I-I I'm feelin' kinda naughty.
Take measurements of your body,
Then go up to a surgeon.
Make my body like your body,
Like that film with Liberace,
Cuz I'm feelin' kinda naughty tonight.

"I'M SO GOOD AT YOGA"

VALENCIA
We're in a yoga class.
Now is the time to let your mind go blank
And focus instead
On how awesome the yoga teacher is.

Look at me, look at me.
I'm so good at yoga.
Look at me, look at me.
I'm so good at yoga.

Exhale on another sigh,
Rebecca sucks!

I do shit with my body
That no human should be able to do,
Like putting my face behind my knees,
Turning my hand into a shoe.
As the morning sun kisses the lotus,
I kiss my own pussy.
Can you do that?
Greet each day, Namaste.
Fuuuuuuuck you, you're fat!

VALENCIA
Look at me, look at me.
I'm so good at yoga.
Look at me, look at me.
I'm so good at yoga.

YOGA STUDENTS
Look at her, look at her.
----- music melody -----
Look at her, look at her—

VALENCIA
I'm so much better than you!

I'm not afraid to get tattoos and they are all in Sanskrit.
Panther!
Anal doesn't hurt at all, most times I prefer it.
That's what this tattoo says.

YOGA STUDENTS
Look at her, look at her.

VALENCIA
I'm so good at yoga.

YOGA STUDENTS
Look at her, look at her.

VALENCIA
I orgasm vaginally.

YOGA STUDENTS
Look at her, look at her.

VALENCIA
I'm not afraid of clowns and trains.

YOGA STUDENTS
Look at her, look at her.

VALENCIA
My father didn't leave me.

"FACE YOUR FEARS"

PAULA
I used to be afraid
Of so much in this world,
I'd tiptoe through each day, like some
Frightened little girl.
Then one day I realized I can't just
Run and hide from life.
Now if someone pulls a gun on me
I pull out my kniiife.

REBECCA
I don't get your point.

PAULA
Sit on my lap like I'm Santa and listen to me.

Face your fears.
Stare them down.
Don't be scared,
Stand your ground.
Cause nothing is as scary
As it appears.
All you gotta do
Is face your fears.
If a bear runs at you in the woods,
Don't run away.
Look it deep in the eyes,
Put your hand on its chest and say,
"Bear I'm not afraid."

If you're in a burning building
And smoke is everywhere,
Keep calm, take a deep breath
And stay right there!

Face your fears!
Run with scissors!
Cause you can fly!
Yes, you can flyyyy!
Fly out of a window!
Fly off a building!
Just believe in yourself,
Face your fears.

Cause children are the future!

CHILDREN'S CHOIR
"AAAAAAH"

PAULA and CHILDREN'S CHOIR
Face your fears!
Face your fears!
Follow your dreams!
Follow your dreams!
Stare at the sun!
Stare at the sun!

If you're scared of bees!
Get stung!
Don't have an Epi Pen ready!
Reach for the stars!
Literally touch a star!
Face your fears!
Stars aren't that hot!
Face your fears!
Face your fears!
Join the Marines!
Join the Marines!
Swim right after eating!
Don't wait 30 minutes!
Cause you are amazing!
So amazing!
Wipe back to front!
Don't wipe front to back!
Drop out of school!
School is stupid!
All you gotta doooooooo…

"SETTLE FOR ME"

GREG
When we're together
I feel so grand.
My heart goes tippety tap tap tap
When I hold your hand.
But I know there's another guy
You fancy more,
So even though
I'm not the one you adore
Why...not

Settle for me?
Darling, just settle for me.
I think you'll have to agree
We make quite a pair.

I know I'm only second place in this game,
But like 2% milk
Or Seitan Beef,
I almost taste the same!
So won't you settle for me?
Come on and settle for me.
Say yes or no
Before I choke on all this swallowed pride!
I have no problem being picked out from the bottom.
If he's your broken condom, I'm Plan B!

So lower those expectations
And settle for me.

Am I ok with this?
Totally.

Settle for me,
Babycakes, just settle for me.
Schmoopy pie, I'm begging you, please.
Can't you see the light?
Sugar jugs, I'm so bereft.
Demeaning terms are all that I have left
Of my masculinity.
So settle for me.

Little girl,
Don't make me feel like a little girl,
Exposed and raw
Whose boobs can't even fill a training bra.
Let's pretend I didn't say that.

GREG
Settle for me.

REBECCA
It's a practical proposal!

GREG
Settle for me.

REBECCA
It makes a certain sense!

GREG
He's a fantasy.
But hey,
Let's think this through.
Yes, Josh is a dream,
But I'm right here
In flesh and blood and self-hate.

GREG and REBECCA
Settle for me.

GREG
In a sad way, darling, it's fate.

REBECCA
You're like Rocky 5 to Rocky.

GREG
Solange to Beyonce.
Not asking to be your fiance.

But if tonight -or tomorrow-
If you happen to be free,
Maybe,
Just maybe
Settle for me!

"SETTLE FOR ME (REPRISE)"

REBECCA
Settle for him.
Why not just settle for him?
He's a nice smart guy,
And he and I do get along...
-- Kind of

GUY:
Hey!

REBECCA
Just a minute.

As soon as I'm done peeing,
It's time to start being
A bit more realistic than I've been...

GUY:
You can't monopolize the bathroom at a taco festival!

REBECCA
Maybe it's time to grow up and--
Just settle for...

(more banging on door)

Alright already!

"SEX WITH A STRANGER"

REBECCA
Steppin' in the club,
All those eyes on me,
But there's only one pair that I see.
He got a tight ass bod,
Big brown eyes.
Come on, cutie, get between my thighs.

Cause I...
I don't even know your name.

JASON
It's Jason.

REBECCA
Shh don't tell me, don't tell me.

Why...
Don't we just call each other baby?
It'll be simpler.

Hey sexy stranger, come back to my place
And I hope you're not a murderer.
Kiss me, baby, all over the place
And please don't be a murderer.

Please don't be a murderer.
Please don't be a murderer.

I'm sorry I'll stop talking 'bout the murderer thing.
Let me get back to playin' with your thing.
You got a beautiful ass,
Strong ass arms.
Is that a gun?! Oh thank God, it's just your penis.

Have...
You been tested for STDs?
STDs, tell me please, STDs.

Then...
Waited the three month window
And got tested again?
Just makin' sure.

Most people don't know about the window.

Hey sexy stranger, let's go to my place
And please don't harvest my kidney.
Don't give me that, incredulous face
I saw a movie like that on Lifetime.

Uh, your balls smell weird.
Your balls smell so much worse than I feared.

You haven't aired out those balls in hours.
Please go wash your balls in the shower.
The bathroom is right down the hall, ok?
Please don't steal anything on the way, (don't steal!)

Hey sexy stranger,
I'll be right back.
I just forgot to do the dishes.
Keep yourself horny, stay in the mood.

I promise I'll be back.
Okay, see you in a second, bye.

"I LOVE MY DAUGHTER"

DARRYL
Daddy's little girl,
Princess of my world,
I never knew a beauty like this before.

So clever and cute,
An angel with an attitude,
I want her all mine, all of the time.

I know songs like this can come off weird
But there's nothing weird about
Helping daddy trim his beard.
Dads do that!

Cus, I love my daughter
But not in a creepy way.
Though I realize that father daughter love comes off that way.
I just love my daughter,
But again, not in a creepy way.

The father daughter dance,
Surrounded by adorable girls,
But there's only one that's got my eye.
Her feet on my shoes,
Her hands on my hips.
Yeah, it's a weird visual, now that I think of it.

I know lines like that can skeeve people out.
But when it comes to ticklin'
Woooo hoooo, she 'bout to get it now.

I'm very careful where I tickle my daughter,
Never inappropriately.
I can see how that came out a bit confusingly.
I just love my daughter,
But seriously, not in a creepy way.

One day she'll fall in love and I'll give her away.
Not like I ever had her,
What a weird thing to say.
I can see it now,
She'll look just like her mom.

Granted, I did have sex with her mom…

Aw, but this is different cuz I love my daughter,
But not in a "love love" way.
Do you get what I -- uuuggggghh
What I mean to say is,
I'll just stop talking.
Having a daughter is weird.

"I'M A GOOD PERSON"

REBECCA
I'm a good person, yes it's true.
I'm a good person better than you.
I'm a good person, can't you see?
Doctors without borders don't have shit on me.

I'm a good person all over the place.
I cum my good right into your face.
Everybody says I'm one good ass chick,
And if you don't think so you can lick
My balls. Which, again, are filled with good.

Didn't you know that I'm a good person?
I'm pure angel through and through.
Doesn't it show that I'm a good person?
So much gooder than you.
And you. And you, and you, and you!

I'm a good person, that's my thing.
My nickname is Mother Theresa Luther King.
I'm a good person, get it straight.
And when I say good, I really mean great,
The best. Hashtag humble and blessed.

Newsflash, fuckwads: I'm a good person.
Do what I can for you all the time.
That's how I am cause I'm a good person.
I always find time to be kind.
Sorry, so busy.

I'm a good, such a good, real good person.
I'm a good person through and through.
I'm a good, such a good, real good person.
Lemme hear you say it too.

Say it. Say it! Or I'll kill your husband.
I'll do it! I'll gut him like a fish.

WOMAN *You're a good person.*

REBECCA *Aw, thank you!*

I'm a good, such a good, real good person.
I'm a good person, yes it's true.
I'm a good, such a good, real good person.
I'm a good person, get it?
FUCK YOU!

Sit down at the table and I'm murderin',
Inquiring what line of work they're in.
Makin' faces like I'm crazed erotically,
Wait… My uncle is in radiology!

LOURDES Oooohh.
REBECCA Every dish is delicious, Michelin Star!
LOURDES Thank you!
REBECCA Please pass the Arroz like I passed the bar.

LOURDES An attorney?

REBECCA
Yale Law, Harvard undergrad.
Got the Chan Fam damp in their underpants.
Dad tells jokes, I squeal in amusement.
I agree that Neil Diamond is real music.
Gonna suck up and kiss ass
Till I have 'em eatin out this hand, like they're eatin' this ass.
Praise the hardwood, compliment the china.
Give them hard wood like a drenched vagina.
Help clear the table like I drain a scrotum.
In one week, I'll thank you note 'em.
Boss-ass bitch no one's above me.
End of the night, they line up to hug me.
"Oh my gosh, this was so lovely."
Yep, your folks pretty much wanna fuck me.

REBECCA and
LOURDES
I give good parent.
She gives good parent.
I give good parent
To parents like me.

"WHAT'LL IT BE?"

GREG

It's 5:53 on Thanksgiving.
Not one customer's walked through the door,
But I'm still here, slinging drinks for a living.
I've never played piano before.

Not bad.

I know this town like the back of my hand,
But I'm not such a fan of the back of my hand,
'Cause if you look real close
At those hairs and veins
You're like, hands are sort of gross!
It's hard to explain.
The point is-

Hey, West Covina,
Why won't you let me break free?
Am I doomed to stay here
Pouring my high school friends beers
For the rest of eternity?
Hey, West Covina,
You know just where to find me.
I'll never go far so pull up to the bar.
Hey, West Covina,
What'll it be?

It's 5:55 - I'm still singing.
The big Turkey day game's lettin' out.
But no one's coming here, who am I kidding?
Hey, you sunburned MILFs, give me a shout.

Everyone's going home cause it's time to give thanks.
Thanks for the chain stores and outlets and banks.
Thanks for this town three short hours from the beach.
Where all of your dreams can stay just out of reach.
(Spoken Drum Fill)

Hey, West Covina,
You're not listening so what's the use?
Is my purpose in life
To slice limes with a knife,
Or to serve Deb a vodka and cranberry juice?
Hey, Deb, be right with you.

Hey, West Covina,
Look what you're doin' to me.
Can't you see, West Covina,
You're killin' me, West Covina?
Last call, West Covina,
What'll it be?

I'M IN A SEXY FRENCH DEPRESSION

REBECCA

My eyes are dark from sadness.
My lips are red from pain.
My bosom heaves with sobs.
I'm in a sexy French depression.

I walk oh so slowly.
I can only breathe and sigh.
(sighs)
My bed smells like a tampon.
I'm in a sexy French depression.

J'ai acheté un livre sur John Wayne Gacy, en ligne.
Je repasse mes vieilles conversations sur AOL Instant Messenger avec mon mec à la Fac.
Je me branle sur un film porno o me demandant Comment ces filles ont pu en arriver là.
Oooh...chocolat!

I black out with dessert wine.

Oui. Je suis garbage.

This grout needs to be redone.
I'm in a sexy French depression.

Je peux résoudre mes problèmes en faisant des Fixations sur tous me cafouillages.
Et toutes les façons de foutre en l'air ma vie au Delà de toute réparation.
Si je réfléchis assez sérieusement je finirai par Avoir la réponse, mais j'ai oublie quelle était la Question.

I'm in a sexy,
French,
Depression.

"HIS STATUS IS... PREFERRED"

PAULA

He's discerning, he's refined-
Eats French cheeses, drinks French wine.
He travels all the time,
And at the airport, cuts the line.
And when he checks his leather luggage
No extra charges are incurred!

'Cause he's Elite.
He's Silver Elite.
Executive Silver Elite.
His status is... preferred.

Fine hotels are where he stays.
The kind with grand breakfast buffets
And a chef who can make omelettes
A variety of ways.
And they don't stick him in some regular room,
No, that would be absurd!

He gets a suite,
A two room executive suite,
An executive city view suite,
With a second TV,
And 400 thread count sheets
Because
His status is... preferred.

Oh can't you see?
He's got Premiere Access to me.
My whole life, I've been stuck in Economy.
I have waited and waited
To one day be upgraded,
To spread my wings and fly
Just a bit more frequently!

On his wrist... a gold wristwatch.
On his lips... a blended Scotch.
And I have to stop my eyes from drifting
Downward towards his crotch!

I can peek, but I have to be discreet!
'Cause he's filet mignon,
Not just some piece of meat!

He's sophisticated,
Elegant,
Elite.
In a word...
He's....preferred.

"WHERE'S THE BATHROOM"

NAOMI
Where's the bathroom! Where's the bathroom!
I need to use the bathroom.
Tell me that you have a bathroom
In this hovel you call home.

I don't know which was bumpier-
The plane ride or the taxi.
All these freeways are a nightmare.
Where's my purse? I need my comb.

By the way, you're looking healthy,
And by healthy I mean chunky.
I don't mean that as an insult,
I'm just stating it as fact.

I see your eczema is back.

Are you using the lotion that I sent you?
If you're not gonna use it,
I'll return it to the store.

God, I give you everything
And still you just want more more more
More more.

Where's the bathroom, where's the bathroom?
You haven't told me where your bathroom is!

REBECCA *Mom, it's upstairs.*

NAOMI
Ok, fine, I need the walk.

Well, your house is oy yoy yoy charming.
Though some florals wouldn't kill you.
Do you ever get a maid here?
It's so nice to sit and talk.

Since when do you have
A vendetta against vases?
And when did you stop wearing makeup?
Are you sure that you're not gay?
I'd still love you if you were gay.
It would explain this vase vendetta.
Please just tell me if you're gay.

REBECCA *Again, I'm not gay.*

NAOMI
Don't interrupt me, you're always with the talking.
I just got off a plane, give me a moment to catch my breath.
It's the least you can do
Since you lived inside me for nine months
And you still haven't told me
Where the hell your stupid bathroom is!!!!

REBECCA *I said it's upstairs.*

NAOMI
Oh right, thank you.

You call that a bathroom?
That's what passes for a bathroom?
There were no bowls of rocks or any decorative soaps—

You don't even have a bath mat.
Who doesn't have a bath mat?
If you need a bath mat I can-- oh, did you hear –

A bishop in Wisconsin said something anti-Semitic
So the temple has decided to boycott cheddar cheese—

Everyone asks how you're doing:
"How is little Becky?" "Is she still a big shot lawyer?"
And to that I just say "Please."

You won't get a husband this way--
At least you have your career.
Oh wait, you threw out your career
To chase this California dream.

I wasted all that dough on Harvard and Yale
For you to be living in a dump in Nowhere, USA—

Getting fatter by the minute on this greasy goyish food.
Just put my luggage in my room.
Could I get a glass of water? I'll be back in a moment.
I need to use the bathroom again!

"CALIFORNIA CHRISTMASTIME"

REBECCA
Well, you can take your snow and shove it,
This is our Christmas and we love it.
It's 100 degrees, this elf is Vietnamese.
That's the way that California does it.

JOSH
Even our Santa has a suntan.
He's also an unemployed stunt man.

REBECCA
Is he even awake?

SANTA
Yeah, I'm just really baked.

JOSH
If he can be Santa Claus, anyone can!

REBECCA and JOSH
California Christmastime
Is just a golden state of mind.
Chet's nuts roasting in the bright sunlight…

REBECCA
Put on some pants Chet!

REBECCA and JOSH
And what would Christmas be
Without historically low mountain snow
Causing staggering drought?

JOSH
But hey - this eggnog froyo's super tight!

REBECCA and JOSH
Super tight.

REBECCA
'Cause this is California…

REBECCA and JOSH
And we do Christmas right!
California Christmastime…

JOSH
Mmm, soooo goooooood.

REBECCA
Mmm, give me some.

DARRYL
Don we now our surf apparel and we
Have our own kind of Christmas carol.

PAULA
It's this chick named Carol,
She does henna tattoos.

DARRYL
Carol's 40 but no judgement,
She's still finding herself.

ENSEMBLE
We're all finding ourselves!

GREG
Ok, there is no easy answer—

HEATHER
For our high rates of skin cancer.

CAROL
It took my dad's life—

SANTA
And it killed my wife.

ENSEMBLE
Hang ten, Rudolph and Prancer!

ENSEMBLE
California Christmastime-
We gather round and sing songs by Sublime
And all our local reggae bands are white.
The kids get lots of toys on Christmas morn'
'Cause daddy makes big bucks directing porn.

REBECCA
They may have gonorrhea
But at least it's not frostbite.

ENSEMBLE
It's not frostbite.

ENSEMBLE
'Cause this is California
And we do Christmas right!
California Christmastime,
California Christmastime....
